EASTERN ECONOMIC FORUM 2025

EASTERN ECONOMIC FORUM –

A key international platform for establishing and strengthening ties within the Russian and global investment communities and for a comprehensive expert evaluation of the economic potential of the Russian Far East, the investment opportunities it offers, and business conditions within advanced special economic zones.

The Forum events traditionally take place in the form of panel sessions, roundtables, televised debates, business breakfasts, and business dialogues devoted to Russia's relationships with various countries.

The Forum's business programme includes a number of business dialogues with leading partner countries in the Asia-Pacific region, and with ASEAN, a key integration organization that unites rapidly developing nations in Southeast Asia.

THE FORUM WAS ESTABLISHED BY A DECREE OF THE RUSSIAN PRESIDENT AND IS HELD EACH YEAR IN VLADIVOSTOK.

XI JINPING

**President
of the People's Republic of China**

"We are ready to come together with Russia and channel our combined efforts into cooperation in such key areas as infrastructure, energy, agriculture, tourism, mobilizing small and medium-sized businesses, strengthening the role of technology in cooperation, increasing the added value of production, using our respective advantages to complement each other, and achieving mutual benefits through fruitful Chinese-Russian cooperation in the Far East."

NARENDRA MODI

**Prime Minister
of the Republic of India**

"India is interested in strengthening its partnership with Russia on many issues, including those related to the Arctic. We also have tremendous opportunities for cooperation in the energy sector. In addition to the energy sector, India has also made significant investments in areas such as pharmaceuticals and the diamond industry in the Russian Far East."

PHAM MINH CHINH

**Prime Minister
of Vietnam**

"In terms of multilateral cooperation, Vietnam values the role of the Russian Federation in the Asia-Pacific region and supports Russia's course towards expanding economic cooperation with the countries of the Asia-Pacific region, including by utilizing the rich potential of the Russian Far East. I would particularly highlight key areas such as ensuring logistic chains, reliable supplies of goods, raw materials, food, as well as maritime transportation."

ANWAR BIN IBRAHIM

**Prime Minister
of Malaysia**

"It is a real pleasure to be finally in Vladivostok, where history blends seamlessly with progress, and where the vastness of Russia meets the boundless promise of the Asia-Pacific. Beyond its economic significance, Vladivostok holds a distinctive place in Russian history as a vital seaport and the eastern terminus of the legendary Trans-Siberian Railway. This city truly embodies Russia's connection with the East."

YURY TRUTNEV

**RUSSIAN DEPUTY PRIME MINISTER AND PRESIDENTIAL
PLENIPOTENTIARY ENVOY TO THE FAR EASTERN FEDERAL
DISTRICT**

"The Forum didn't simply take place; it was a success. This is evidenced by the number of agreements signed, their amount, and most importantly, the number of decisions taken by the president. Almost immediately after the completion of the EEF, a strategic session on the socioeconomic development of the Far East chaired by Prime Minister of the Russian Federation Mikhail Mishustin will be held in Moscow. The proposals that were voiced at the Forum and received the president's support will be studied there. I would like to reemphasize: for us, the EEF is not some big, beautiful event. For us, the Forum is a purely working tool that creates opportunities for further effective work to develop the Far East."
